October: Breast Cancer Awareness Month

In recognition of Breast Cancer Awareness Month, I will be donating a portion of my proceeds next week to the Mary Kay Charitable Foundation for breast cancer research. My goal is to facial 30 women next week.

Is there any reason you couldn't help me reach my goal?

I will be calling you this week to set your appointment.
Call me first and receive a *free* eye shadow.

15% off all purchases at your facial.
Invite a few friends to join you and receive
30% off all purchases at your class!

Discounts can apply to your Holiday Shopping as well! I'll bring my Holiday basket—loaded with gift ideas—so you can shop in the privacy of your own home!
