

## *Adopt a Mom for Mother's Day*

It's that time of year when we want to do something special for the women in our community.

Our Mary Kay Unit is adopting moms in our area who are living in a shelter or temporary housing facility with their children. They will most likely not be receiving anything special for Mother's Day due to their current circumstances.

We are asking businesses in this community to help us with this project by adopting a Mom for Mother's Day. Your \$32 will sponsor a special gift basket for one resident and enable them to feel loved on this special day. Your business card will be attached to the gift basket so they know that it is a gift from you and your business.
